WANTED: WACKY RACES TEAM MEMBERS!!!

As you are all aware 2007 is the centenary celebration of scouting. To celebrate this we (Helen Peberday and Vicky Stanton) are co-coordinating the fun day to be held at Harvey Haddon Stadium on June 23rd 2007.

However, in order to make this event happen we are looking for volunteers to join the organising team. We are looking for 8-10 individuals who are able to contribute ideas and implement the grand plan (as yet its in the planning stage & all ideas are welcome!) Don't worry if you have never taken part in a big County event before - we'll help you through it.

If you would like to put yourself forward for the event or want to find out more before offering to get involved please give Vicky or myself a call on:

**0115 919 0446 or 07984 168472
or 0115 975 5702 or 07818 086 939**

To put your self forward as a team member, please do so prior to November 27th 2006.

We hope to hear from you.

Helen and Vicky

**Nottinghamshire County Scout Council
CALENDAR OF TRAINING 2007**

In addition to this schedule, arranged by the County Training Team, Getting Started modules (1 to 4) will be arranged by the Local Training Manager within their areas.

Module 10 (First Aid) will be organised by the County Activities Team.

Please note . . . The closing date for each module is 7 days prior to the first date of training.

Module 6 – the changes in scouting has been integrated into module 5 – fundamental values of scouting.

The Foundation Training Module is a residential weekend covering Modules 5,7,8,9,13 or 21,

The Management Training module is a residential weekend covering modules 20, 21, 22, 23, 24 and 26.

Both the Foundation and Management Training Modules can only be attended as a whole unit.

The cost of attending modules is free to persons within the county, however where an overnight stay is required there is a fee of £15.00, which is to cover accommodation and food.

There is a fee of £10.00 for Module 25 to cover the cost of extensive booklets and paperwork.

Module Application forms can be obtained from Local Training Managers, Training Advisers, County Training Administrator or our website at www.training.nottinghamshire-scouts.com

Well done to all involved RA

Hi there

Wonder if you can help? I am a Cub Scout Leader from Suffolk and have set myself a personal Centenary Challenge to set up a pen pal link with a leader (of whichever section) from each county of the UK to correspond, ideally by e-mail and share ideas and experiences.

It would be great if you were able to assist me with this and find a leader in your County who would like to correspond.

Many thanks.

Yours in Scouting

Driving Licensing Requirements:
Over 21 years of age, hold a full
driving licence to drive a motor car for
at least two years.

Local Requirement: Not more than 6

penalty points currently held on driving licence

Please ensure that your eyesight currently meets the required standard for driving.

Limitspeed

The legislation is changing

with regards to minibus speed limits as from January 2007.

VOSA have released information that all 8+ seat minibuses manufactured between 2001-2004 must be speed limited to 62 MPH. Any vehicles not fitted by January will not pass an MOT test.

Limitspeed have been asked to contact the public sector organisations and are currently scheduling work between now and January to ensure their minibus fleets meet with the legislation.

We mainly offer systems for vehicles that can not be speed limited by the manufacturer.

Vehicles include: Citroen Relay, Peugeot Boxer, Fiat Ducato, Vauxhall Movano, Toyota Hi-Ace, Renault Master, LDV convoy, Ford Transit and more.

On Saturday 21st October, Chief Scout Peter Duncan, awarded Queen's Scout Award Certificates signed by Her Majesty, The Queen, to Leaders, Scout Network members and a member of the Scout Fellowship from Mansfield District.

Recipients were: Louise Tucker, Paul Unwin, Jonathan Holland, Adam Hawley, Will Tucker, David Ching, Andrew Holland, Andrew Cree.

Chief Scout, Peter Duncan, was elated that there were so many Queen Scout Award recipients from one District. He thoroughly enjoyed talking to this group of young people and listened to the various exploits of each one of them. *All eight took part in the first Explorer Belt Expedition to Brazil in 2004 by Mansfield District.*

County Mad 2007

County Mad is coming back for another year!

NOT only will Scouting be 100 years old in 2007, but County Mad will be celebrating 10 years of 'madness.' We have loads of new games and challenges for next year, so come and take on last years champions to see if you can win the Mad Trophy.

Last year's Mad event was won by:

- * **Discovery Explorer Scouts (Senior Section)**
- * **2nd Attenborough Guides (Junior Section)**

As in previous years the event will be held at Walesby Scout Camp Site in March. Yes, it will no doubt be cold, wet and snowing but without this fun weather it just wouldn't be County Mad!!

The date for your diaries is: Saturday 3rd March, However, the most important date is: 17th February as this is your final date for sending in your application forms.

The number of team entries has again been set at 60! As a warning to all you leaders who leave the forms till the last minute, we turned away a number of teams last year due to over subscription.

For teams who entered County Mad 2006, next year's forms will be posted out to you during October 2006. We will of course ensure that forms are available on the website and within the Scout / Guide head offices. If you are not sure what County Mad is, check out some of the Photos on the web site: www.countymad.co.uk

The 2007 County Mad badge has now been selected. We are pleased to announce that the winner is: 2nd Attenborough Guides. Thank you to all who entered, as the designs were great. As in previous years all participants and base helpers will receive a badge at the end of the event. *The Mad Mob*

It's new!

It's a Challenge!

It's free to enter!

Are you ready for it?

Complete one challenge activity per month throughout 2007.

You may wear an awarded badge on your uniform shirt with pride.

Obtain your Record Card from your ESL from late November.

500 CLUB

Over the years this has been a very successful fund raising initiative.

However in the last two years the number of members has decreased. Therefore the Nottinghamshire Scouts Business and Community Trust have made the decision to discontinue this fund raising activity.

Thank you for your valued support. If you pay by standing order, please remember to cancel this.

5TH MANSFIELD SEA SCOUTS SPANISH ADVENTURE

5th Mansfield Sea Scouts have recently been on their second annual trip to Spain.

The group visited the tiny mountain village of Sella in the Costa Blanca. Although only 20 miles from Benidorm, we could have been in a different country, or indeed an earlier, more simple period in time. The village is reached by a winding mountain road, with the last few miles becoming quite precipitous. Our accommodation was La Hort de Gloria, a traditional farm terraced into the mountain side. Although still a working organic farm, growing olives, almonds and fruit, the accommodation is to a high standard. Some rooms are en suite, and there is even a swimming pool fed from a mountain spring. We were looked after by a local family, South African Jonathan Neal & his Spanish wife Violetta. Interaction with Jonathan, Violetta & their children gave the group a useful insight into Spanish culture, well away from the tourist centres. Helping out at the Hort de Gloria were the WWOOFERS (world wide opportunities on organic farms), these were a group of 3 gap year students working in return for their keep.

Explorers and Scouts making the trip were; James Lowe, Edwin Lowe, Chris Stockton, Mat Fearne and Ben Williamson. Leading were; Trev & Cheryl Lowe, Mat Singleton & Neil Hallam.

The trip is primarily aimed at the Explorers, but we did take two Guides with us; Louisa Fearne, a member of St Johns Guides, who helps with our Beaver Colony. Helping with instruction was Jo Suter a Guide leader from Surrey who is a good friend of our group, and

accomplished climber. During the four day trip the Scouts built on skills learned during their Scouting careers. They spent two days rock climbing on the local limestone cliffs, developing their skills to a very high standard including the beginnings of lead climbing on bolted sport climbs.

A full day was spent on a 20 KM sea kayak expedition to Benidorm Island, a wildlife sanctuary out in the Mediterranean. Our guide for this trip was our host Jonathan Neal. We were in excellent hands as Jonathan is the current Spanish national champion at sea kayak racing.

The Scouts also walked up the local mountain of Puig Campagna, which at 1410 M high, towers over the coastline of Benidorm.

Both years trips were very successful, and of tremendous benefit to the Scouts personal development. We have firm plans to return again next autumn.

The trip entailed two days out of school, but all the schools recognised the educational & developmental benefits, and allowed the trip as part of the curriculum.

Flights are into Alicante which is served by many of the budget operators, and Sella is about 50 minutes drive from the airport.

We would thoroughly recommend a visit to any group, but would ask you to only take Scouts who will not let you down. These are our friends, and we want to keep going back.

You can view Jonathan's web site at www.aqua-ventura.com

ROBIN HOOD CAMPSITE

In the heart of Sherwood Forest lies Robin
Hood Campsite, a true gem for those who
seek out what is the best in camping.

Situated between Mansfield and Notting-
ham, the nine acre woodland site provides an
ideal location for every occasion from a
small group camp to a major event.

With locations such as Newstead Abbey,
Sherwood Forest and Rufford Park close by
there are plenty of things to do outdoors. The
Making it! Centre, Tales of Robin Hood and
White Post Farm Park provide great attrac-
tions for fun days out.

Robin Hood Campsite provides a range of
indoor accommodation for all groups, each
sleeping from seven to 24. We have five
main wooded camping areas and all the fac-
ilities you would expect to make your stay
as enjoyable as possible.

If you are planning a group camp the
whole site is available for your exclusive
use, at great rates.

We have an experienced team who can
help you plan to get the best out of Robin

QUAD BIKES

WE would like to offer the Scouting organi-
sation our Junior 4x4 and Children's Quad
Bike events which are fantastic for kids!

The children's quad bikes are suitable for
6-16 year olds and can be run in any location
providing the grounds are suitable; prefera-
bly flat grass with an area of about 60 ft x 80
ft. The bikes run inside an inflatable arena
and are 50cc which can be restricted to walk-
ing pace, they also have a remote cut off
switch and a rear lanyard for additional
safety.

Junior 4x4 takes place at our Quarry site
just north of Doncaster. Juniors need to be
physically able to control the vehicle, i.e.
reach the pedals (around 4ft 6 inches) to take
part. The session starts with a safety briefing
and progresses to steering / starting / stop-
ping control on a large flat area. Once these
simple controls have been mastered it's out
onto course to drive increasingly challenging
terrain. A British Off Road Driving Associa-
tion (BORDA) accredited instructor is by
their side at all times and can take control if
need be.

Prices are dependant on the length of time
required, number of children and for kids
quads the location. We believe in flexibility
and can usually accommodate most budgets.

I have attached details of the above activi-
ties and should you require any further info I
would be delighted to forward it to you. We
have public liability to 2 million pounds, all
activities are risk assessed, all instructors
hold relevant qualifications and are first aid
trained to at least the 4 day first aid at work
level.

Rufford Explorers Conquer Mount Snowdon.

On Sunday 5th November Rufford Explorers and Leaders, climbed Mount Snowdon.

At the start it was cold but nice weather. We were warm wearing several layers. As we started to climb up the Pyg track it got so windy that one of the members got blow over! At the top it was even windier and extremely cloudy. After several photographs and a short break on the summit, the group slowly began to descend the mountain ending the walk in the dark.

I found the hike up Snowdon to be quite scary as I got vertigo and nearly fell off the edge! It didn't put me off though and would like to do it again sometime as the experience was great! *Aaron.*

I enjoyed this route as it was different to what I had done before. *Emily.*

Memorable incidents such as nearly being blown of the summit and sitting in sheep poo. *Stefan.*

Just a little stroll in the park. *Graham.*

It was great fun. *Adam.*

We were lucky for the first time since I started Explorers (a year ago) it didn't rain on a camp!!! *Katie.*

I now work for FIRECREST UK Ltd a fire safety firm at Ollerton, Notts.

I have been told by the director of the company that he will be very generous to Scout Groups etc who wish to purchase any fire safety equipment. This includes extinguishers, signs etc. We also do yearly servicing of extinguishers, fit fire alarms, and can do official fire risk assessments. The extinguishers etc could be as much as 40% off list price.

We have a catalogue which also includes safety footwear and clothing. Should any Scouters need any further information they can visit <http://www.fire-crest.com> or ring me on 01623 861331

DUKE OF EDINBURGH'S AWARD SCHEME

EXPEDITIONS

It may seem a bit early to be thinking of planning for Award Expeditions in the Spring & Summer of 2007 but one of the biggest problems with organising ventures is to book dates when everyone is available. 2007 is likely to be even more difficult than usual since so many events are planned for Scouting's Centenary year. Now is the time to sit down and decide on dates for your practice and qualifying expeditions. You would also be well advised to approach your assessors to get the dates in their diaries.

What are the different types of expeditions?

Most expeditions are on foot but if you have a group of cyclists why not try this as an alternative. Canoeing/rowing is also popular with Sea Scout Units.

Where should expeditions be held?

Bronze Award: For those in the North of the county Sherwood Forest is popular with camping at Walesby and in the South Bradgate Park in Leicestershire using Johns Lee Wood or Oaks in Charnwood as the camp site.

Silver Award: The White Peak of Derbyshire is the most favoured.

Gold Award: This has to be held in one of the designated Wild Country areas – see Award Handbook

Instructors can be Unit Leaders who have experience of planning and undertaking expeditions in the appropriate area and who have the necessary authorisation. For the areas mentioned above for Bronze & Silver most is in Terrain zero (below 500m) so not needing authorisation but experience of the area is still required.

Assessors can be approved by the District for Bronze & Silver but **must** have the approval of the County D of E Advisor for Gold.

Programme Planning Many Units with experience of running D of E Expeditions spend 4 or 5 evenings during the winter months instructing on the various aspects of navigation, timings and safety/first aid etc. Time spent on this can pay dividends in ensuring that practice ventures go well. If you would like help with planning a suitable programme of instruction please contact the County D of E Advisor.

Unable to form an expedition team? If you won't have enough participants to form a team please contact me and I will put you in touch with others in a similar situation.

AWARDS GAINED—*Congratulations to:*

BRONZE

*Ian Thompson, Mansfield ESU, Mansfield
Chris Anderson, Daniel Bolstridge, Ryan McElhone, Daniel Pope, Craig Spencer, Gemini ESU, Central.*

SILVER

Junior 4x4

OUR junior 4x4 driving is suitable for children aged around eight and over or around 4'7" in height. As long as the youngsters can physically control the vehicle, *i.e. touch the pedals they can take part.*

After a safety briefing given by one of our instructors the kids get to drive a full sized legendary Land Rover defender over our site with natural and man made obstacles.

The instructor is in the passenger seat at all times to ensure that the youngsters are driving safely and are in control.

After establishing steering control and basic use of the throttle on flat open terrain the kids go out onto more rutted ground. Small camel humps will then be tried and as confidence increases so does the size of the hills, dips, drops, ruts and water !

At the end of the driving time our instructor will take the kids on a 'scare' ride over some of the more hair raising obstacles.

The driving lasts for two – three hours depending on the size of the group with personal driving time and includes a scare ride with one of our BORDA accredited instructors.

The cost for a group of up to 10 children would be £350.00 plus VAT, this includes two vehicles – one vehicle would be £250.00 plus VAT

We have full public liability insurance and our instructors are first aid trained, accredited by BORDA (British Off Road Driving Association) and are CRB (Criminal Records Bureau) checked.
